Re: Bernard Alan Hatfield  
Expungement of Federal Felony  
IRS vs Bernard Alan Hatfield  
Case# 1:74CR10 ~ 2 counts of Income Tax Evasion

I am requesting expungement from my record for the above case based on the following:

- Tax evasion was for a part time job at night as a musician to supplement day job while raising 3 children. I filed taxes on my income in 1971 after I learned I was being investigated. Our gross income for 1971 was \$8,387., including a loss of \$2,506. from income as a musician.
- Gross income for 1974, the year I was convicted was \$13,170., which included income as a musician of \$1371. During 1974, I had another son so we had 4 dependants. I filed on income as a musician until I retired in 1989 as I had obtained a much better job at General Electric.
- I was a musician, again in 2007 for 10 years backing up my son on keyboard as he started as a musician after a serious accident at work that left him a quadraplegic. He wasn't able to perform any other job due to his injury. I filed on the income as a musician until I retired, again, in 2017.
- I have served on Clermont County Jury Duty 3 times
- I have voted for many years
- I was employed by General Electric and had special government clearance on 3 projects I was working on
- I have not had any other convictions
- I have been married 55 years and have 5 children
- Total for tax, fines & penalties approx. \$3500. paid in less than 30 days of being convicted. Given 10 days in jail and 2 years probation. Early release from probation. The 2 counts were from 1969 & 1970. I could not find tax returns for these years but it was approx \$10,000 gross income from my memory. I borrowed money to pay \$3500. from parents & paid them back in monthly installments.

I did not realize this case was a felony until I applied for a gun license in 2020. I have attached correspondence from the United States Department of Justice, Federal Bureau of Investigation.

Sincerely,

Bernard Alan Hatfield
